4.0 Decisions

The Parties' advocates, Ms. Goheen and Ms. Conley made comprehensive, compelling and persuasive arguments to support their respective positions on all of the unresolved articles and related language for both agreements. In addition, they supported their positions with a voluminous amount of written information, documents, and data.

Because of the number of unresolved issues, lengthy testimony, the continual referencing and cross referencing of the documentary evidence the Conciliator tape recorded the Hearing. The Conciliator, before making his decisions, listened to the record, reviewed his notes, and studied the information and data contained in the

documents. The Conciliator has decided that it is in the best interests of the Parties if he does not explain his reasons and rationale for his decisions.

PART-TIME OFFICERS

Section 1. The Union acknowledges that in order to ensure the health, safety, and welfare of the citizens of Eastlake and maintain the integrity of police department operations, the Employer shall have the ability to utilize part-time personnel to supplement shift strength, serve as court officer, including transport, assist with the Diversion program, PAL, and non patrol duties excluding any administrative rank duties.

The Employer agrees that the use of part-time personnel shall not cause a reduction in force (i.e., layoff or job abolishment) or regularly scheduled hours of bargaining unit members. Additionally, the Employer agrees that prior to instituting a layoff among bargaining unit members, it will first reduce all part-time police officers, except that a part-time court officer may be retained at the City's discretion.

The Employer agrees that it will not institute the usage of part-time officers until such time as it satisfies the program implementation criteria of the Memorandum of Understanding appended to this Agreement.

Section 2. Overtime Work. Whenever the Employer determines that overtime work is necessary, it will offer the overtime work opportunity to eligible full-time patrol officers prior to offering the overtime work to part-time patrol officers.

Section 3. Ranking Officer Functions. The Employer agrees that part-time officers will not be used for ranking officers.

Section 3. Contribution Rates.

Effective September 1, 2011 the Employer and participating employees shall contribute the following base monthly amounts for coverage under the City's insurance plan:

Employee participation costs, as may be applicable, shall be made through payroll deduction. It is understood that such recommendations do not obligate either party contractually. If the Committee obtains a plan more favorable to employees than the plans to be in effect on April 1, 2005, at a cost acceptable to the Employer, such plan, at the Employer's discretion, may be substituted for the current plan.
