BACKGROUND:

The City of Seven Hills, hereinafter known as the City/Employer, provides municipal and safety services to approximately twelve thousand citizens. The Ohio Patrolmen's Benevolent Association, hereinafter known as the Union/OPBA, represents two bargaining units composed of nine Patrol Officers, and four Sergeants.

The parties have been in an extended process of bargaining on a renewal Agreement. The current Collective Bargaining Agreement(CBA), expired on December 31, 2010. During the extended process commencing in January 2011, the parties had five bargaining sessions. Although they reached

agreement on many issues, the unresolved issues were referred to Fact Finding. There were two Fact Finding dates, which included an Evidentiary Hearing held on August 17, 2011. After a long delay, the Fact Finding Report was issued on April 6, 2012, without acceptance by the parties.

The parties referred this matter to Conciliation, and this Conciliator was appointed on May 25, 2012. The parties, by mutual agreement, scheduled a Hearing for July 18, 2012.

In determination of the Conciliation Award and in compliance with ORC 4117.14(G)(7), and related rules of SERB, the following were taken into consideration in making this Award:

- (a) Past collectively bargained agreements, if any, between the parties;
- (b) Comparison of the issues submitted to final offer settlement relative to the employees in the bargaining unit involved with those issues related to other public and private employees doing comparable work, giving consideration to factors peculiar to the area and classification involved;
- (c) The interest and welfare of the public, the ability of the public employer to finance and administer the issues proposed, and the effect of the adjustments on the normal standard of public service;
- (d) The lawful authority of the public employer;
- (e) The stipulations of the parties;
- (f) Such other factors, not confined to those listed in this section, which are normally or traditionally taken into consideration in the determination of the issues submitted to final offer settlement through voluntary collective bargaining, mediation, fact-finding, or other impasse resolution procedures in the public service or in private employment.

CONCILIATION HEARING:

The Conciliator was duly appointed in this matter, in compliance with Ohio Revised Code, Section 4117.14(D)(1)(B), by letter dated May 25, 2012.

The Hearing was held on July 18, 2012 at 9:30am, at the City Hall of Seven Hills. The parties timely filed the required pre-hearing submittals.

The Conciliation Hearing commenced with a review of, and an agreement of the unresolved issues. In the conciliator's opinion, the final offer positions of the parties were not irresolvable following the Fact-Finder's recommendations. Thusly, they were asked if they were interested in a mediation discussion. The parties mutually agreed to attempt mediation on the unresolved issues.

During the mediation discussions, it was mutually agreed to by the parties to amend and resubmit their final offer positions, on four Articles. The City amended their positions on Articles XX(HOLIDAYS/PERSONAL DAYS), and Article XXII(SICK LEAVE), to current language. Both parties amended their positions on Article XXVI(COMPENSATION SCHEDULE), and Article XXX(INSURANCE).

The Awards reflect the mutual agreements reached on the final positions through mediation with the conciliator. Furthermore, the parties mutually agreed to waive the introduction of evidence and testimony deferring to their mutually agreed to final positions.
