I. BACKGROUND.

Now come the Ohio Patrolmen's Benevolent Association and the Security Officers Unit, in accordance with the Ohio Administrative Code and Revised Code, and submits the following pre-hearing statement for fact-finding.

The name of the Union is the Ohio Patrolmen's Benevolent Association, Security Officers Division of the Cuyahoga County Sheriff's Office (herein "Union"). The Union is represented by Daniel J. Leffler, at the contact information above.

The employer is Cuyahoga County and the Cuyahoga County Sheriff's Office (herein collectively "Employer"). The Employer is represented by Chris Russ, at the contact information above.

This Conciliation relates to the collective bargaining unit consisting of approximately 140 full-time members made up of Security Officers of the Sheriff's Office. The Unit consists of armed security officers who protect approximately 30 different County facilities throughout Cuyahoga County, but excluding sergeants, lieutenants and supervisors. The collective bargaining agreement (herein "Contract") between the Union and Employer expired on December 31, 2010. In 2011, the parties entered into a one year extension of the Contract for the calendar year 2011. The basis for this successor agreement relates to the Contract dated January 1, 2008 through December 31, 2010. A copy of said Contract is attached hereto. The parties have previously agreed that the successor agreement shall be for the term January 1, 2012 through December 31, 2014.

The parties have mutually agreed that Mr. Nels Nelson shall be the Conciliator for these negotiations.

Negotiations began in November, 2011 and the parties met on approximately 13 different dates throughout the period prior to fact-finding. The parties have reached tentative agreement on all issues not presented for review herein. On May 31, 2012, the parties' conducted a Fact-Finding hearing before Jared Simmer. The Employer rejected the Fact-Finding Report. There remain approximately eight (8) unresolved issues.

The Union has unresolved issues as follows and the draft language is attached hereto.

The Union's unresolved issues concern the following:

- Article 13 – Hours of Work
- Article 17 – Sick Leave
- Article 29 – Uniform and Equipment
- Article 30 – Assumption of Rank
- Article 33 – Health Insurance
- Article 35 – Wages
- Article 35 – Longevity
- Article 50 – Parking
- New Article – Healthcare while on Layoff
- New Article – Healthcare while on Sick Leave

The Union requests that the Conciliator adopt and incorporate into the award the tentative agreements between the parties.

II. Unresolved Issues.

1) Article 13 – Hours of Work

The Union proposes to include language which clarifies the hours of work and also permits the employees' approved leave, with the exception of sick leave, to count as hours worked for purposes of overtime calculation. Sick leave may be counted for purposes of hours of work if the employee is on a pre-approved medical leave for a doctor appointment. In effect, the Union's only modification from the current language is to permit the use of pre-approved sick

leave to count towards the hours of work. The Union proposal mirrors the language provided in the Cuyahoga County Sheriff Deputies CBA. Additionally, the Correction Officers CBA also permits the use of approved leave for purposes of hours of work.

The Union, at Fact-Finding, proposed additional language which would permit sick leave to count towards the hours of work if the sick leave occurred prior to the accumulation of overtime. The Fact-Finder recommended the Employer's position. The Employer argued that the "prior accumulation" language presented a book-keeping nightmare for the County. The Union now withdraws its proposal on that language despite the fact the Sheriff's Office continues to grant the language to the Deputies unit.

The Employer has proposed current language.

2) Article 17 – Sick Leave

The Union proposes to include language which was extensively discussed at negotiations and includes language put forth by the Employer. The parties, at one point, were close to a tentative agreement on this article, except for a minor modification put forth by the Union which extended the number of consecutive days an employee could be absent without a physician statement. The Union submitted its modification to the Fact-Finder; however, the Employer's position was recommended. The Union now withdraws its previous modification and proposes to return the negotiated language put forth by the Employer.

The Union proposal mirrors the language provided in the Cuyahoga County Sheriff Deputies CBA.

3) Article 29 – Uniform and Equipment

The Union proposes to include language which requires the Employer to provide the initial issue of uniforms and to provide standard equipment, including a badge, sidearm, bullet-proof vest, less-than-lethal device, and ammunition. The union also proposes to increase the current uniform maintenance stipend from \$425 per year to \$750 per year. The Union proposal mirrors language provided in the Cuyahoga County Deputy Sergeants CBA with regard to the equipment issued. The Union maintains that the Employer's uniform requirement for the Protective Services Unit is essentially the same as the Deputies unit. The Deputies Unit receives a uniform stipend of \$1,400.

The Fact-Finder recommended an increase of the Uniform Allowance from \$425 to \$750 and the Union now adopts the Fact-Finder's recommendation.

The Employer proposes current language.

4) Article 30 – Assumption of Rank

The Union proposes to include a new provision which would permit the Employer to assign a bargaining unit member to act as an officer-in-charge (OIC). The designated OIC would be paid at the same rate as the sergeants' rate for a minimum of four (4) hours or all hours worked. Because this is a new provision, the Union requested that the parties meet at a Labor-Management Conference (LMC) to discuss the implementation and specifics about the new policy.

The Employer has proposed to include the new provision but offered to pay a rate 12% above the current officer rate. During negotiations, the Employer offered to pay up to 18% above the current officer rate. The Employer has also rejected the LMC proposal.

The Fact-Finder recommended the Union language, but reduced the pay differential to 12%.

5) Article 33 – Health Insurance

The Union proposes effective January 1, 2013, an employee premium contribution rate of ten percent (10%) of the monthly health insurance cost for all plans consistent with the Employer's proposal. Employees would contribute ten percent (10%) of the high cost plan. However, for the standard, non-HSA plans, the Union proposes a bi-weekly maximum contribution rate of \$75/family (\$162.50/month) and \$45/single (\$97.50/month). The proposed employee maximum contribution rates are in excess of the average employee cost published by SERB in their 2012 Healthcare Survey. The proposed maximum contribution rate also exceeds the current Cuyahoga County employees 10% cost by nearly twenty percent (20%). The Union proposal has the additional benefit of incentivizing employees away from the high cost plan.

The Union also proposes that for any ancillary benefits, the Employer will contribute 90% of the costs for the ancillary benefit plans (i.e., vision and dental) and the employees will contribute 10% of the cost consistent with the Employer's proposal.

The Employer proposes that effective January 1, 2013, employees must contribute ten percent (10%) of the monthly premium with no cap. The Employer also proposes to eliminate any cost limits or controls on the plan design, including deductibles, co-pays, and co-insurance. The Employer's proposal would render the employees helpless with regard to increases in out-of-pocket costs for healthcare.

Other than modifications to contribution rates and caps, in general, the current language in the CBA has been in place for over ten years, has been hard fought for and well negotiated. The current language has worked for the parties. The Employer proposes to overturn the apple-cart and, in one contract cycle, eliminate years of negotiated language. Just as the Union cannot

expect wholesale changes in one contract, neither should the Employer. The Union's proposal accomplishes the Employer's goal but maintains consistency in the process.

The Fact-Finder recommended the Employer proposal.

6) Article 35 – Wages

At Fact-Finding, the Union proposed an across the board three (3%) wage increase in each year. The Employer proposed a 1% in 2012, 2% in 2013 and 2% in 2014. The Fact-Finder recommended an increase of 1.5% in 2012, 2% in 2013 and 2% in 2014. The parties did not have a R.C. 4117.14(g)(11) waiver and therefore any wage increase for 2012 was abolished.

The Union proposes a wage schedule consisting of 0% in 2012, 3.5% in 2013 and 2.5% in 2014. The Union proposal results in a minimal difference from the Fact-Finder's recommendation (\$150 over the life of the contract) for an employee at the top rate.

It is anticipated that the Employer will propose 0% in 2012, 2% in 2013 and 2% in 2014. The Employer's proposal would result in a decrease of over \$1,000 per employee from the Fact-Finder's recommendation.

7) Article 35 – Longevity

At Fact-Finding, the Union also proposed to include a longevity provision whereby employees would accrue longevity at \$375 after 5 years and an additional \$75 each year thereafter. The Union proposal mirrored the Cuyahoga County Sheriff Deputies CBA. The Fact-Finder recommended a longevity provision at \$187.50 after 5 years of service and an additional \$37.50 each year thereafter. The Union adopts the Fact-Finder's recommendation.

The Employer has rejected the inclusion of longevity.

8) Article 50 – Parking

At Fact-Finding, the Union proposed current contract language. The Employer currently provides parking free to second and third shift employees and provides parking to first shift employees at the monthly cost of designated lots. The Fact-Finder recommended the Union position and included that if the County implements a new parking policy, the County may file to reopen the parking provision. The Union now adopts the Fact-Finder's recommendation.

The Employer proposed to eliminate the provision.

9) At fact-finding, the Union proposed two additional articles related to the continuation of healthcare benefits while an employee is on layoff or has exhausted sick leave. The fact-finder rejected those two articles and the union withdraws the proposals.

III. Conclusion.

The Union's Final Settlement Offer on the issues identified is attached hereto. Additions are expressed in underline (red-line) and proposed deletions are struck through. Items not identified above shall be controlled by current contract language except where the parties have reached a tentative agreement. The Union will further support its proposals at the Conciliation hearing through exhibits and testimony.

Respectfully Submitted,
